

Eden Valley Railway Trust Infrastructure Components Appeal

Sleepers/ Ballast/ Fishplates/ Chairs/ Screws/ Keys

To be able to keep our infrastructure up to HMRI standards we have to replace the following old material yearly:

250 sleepers:	Sleeper @ £30 X 250 = £7,500
160 tons of ballast:	ton @ £30 x 160 = £4,800
4 pairs of 95lb Fish Plates:	pair @ £35 x 4 = £140
40 3-hole chairs for 95lb rail;	chair @ £20 x 40 = £800
3 screws for each 3-hole chair:	screw @ £3 x 120 = £360
40 wooden keys for 3-hole chairs:	key @ £5 x 40 = £200

“DON'T FORGET THE GIFT AID”

The gift aid enables us to reclaim a further 20p for every £1 donated from the tax office, so if you are not registered with the EVRT then please do so by completing the one included on our 2014 timetable leaflet: every little helps.
